Confession of Faith in a Mennonite Perspective

Unison Reading A

We believe in God the Creator of all,
who has called forth a people of faith.
We believe in Jesus Christ, the Word become flesh,
crucified and resurrected for us.
He is our Savior from evil and sin,
our peace and the exalted Lord of the church.
And we believe in the Holy Spirit,
the source of redemption and life.

We who respond to Christ in faith are his church,
the community called to proclaim
and to be a sign of the kingdom of God,
the new people sustained by Scripture and Spirit.
Thus we continue the mission of Christ,
making disciples, forgiving, restoring,
baptizing believers, sharing the Lord's Supper,
using our gifts in unity and love.

We commit ourselves to follow Jesus Christ,
in his path through suffering to life.
By grace we are being changed into the image of God,
in which God created women and men.
As faithful disciples, we hear Christ's call
to life in the Spirit in relation with God,
to chastity, stewardship, love for the enemy,
to the practice of justice and peace.
We joyfully worship the three-in-one God,
as a holy nation, the people of God,
giving allegiance to Christ as our Lord,
living now as if in the age to come.
We place our hope in God's everlasting reign,
in victory over evil, the resurrection of the dead,
in Christ's coming again in judgment and glory.
To God be all glory! Amen!

Foreword

In July 1999 at St. Louis, Missouri, under guidance of the Holy Spirit, delegates of Conference of Mennonites in Canada (CMC), General Conference Mennonite Church (GCMC), and Mennonite Church (MC) met together to continue the work of the body of Christ. Representatives of these three denominations acted to create a new integrated Mennonite Church, a binational body organized as two national entities—Mennonite Church Canada and Mennonite Church USA.

By the end of 1999 Mennonite Church Canada had established its organization, General Board structure, delegate body, and membership guidelines. Mennonite Church Canada is now working to complete its transformation process. Mennonite Church USA has established an Executive Board, a Constituency Leaders Council, and a Transformation Team to oversee programs and to guide further decision making until the delegates meet for further discernment during the 2001 assembly in Nashville.

In addition to their national agenda both bodies are working with church agencies and committees to transform and shape program direction that is binational in character. These transformation activities occur at the binational, national, and area conference levels of church life.

The ministry of the binational Mennonite Church is guided by our core beliefs as stated in the *Confession of Faith in a Mennonite Perspective*; our common ministerial leadership direction as described in *A Mennonite Polity for Ministerial Leadership*; and our vision for faith and life as summarized by *Vision: Healing and Hope.*

The *Mennonite Directory* brings together the leadership and the institutions created to carry forward the ministries to which God has called us. It is a picture of the way we work as we begin a new century and a new millennium. We commend this resource to you for your ministry in the church.

We wish to thank the *Mennonite Directory* policy committee of David Linscheid and Levi Miller (Mennonite Church USA) and Justina Heese (Mennonite Church Canada) who have guided the process through which the editors, assisted by many others, created this volume which you now hold in your hands.

Preface by the Editors

We are pleased to present to you volume 2 of the *Mennonite Directory*. This binational directory carries churchwide and conference organizations, ministerial and other organizational information of Mennonite Church Canada and Mennonite Church USA.

This volume is similar to the content and organization of the 1999 edition. However, some changes were made in order to reflect the national character of the binational church. Information found in Sections 1 and 3 in the 1999 volume is now carried in Sections 1, 2, 3, 4, and 7 of this volume.

Sections 1 and 2 provide the organization of Mennonite Church Canada and its related area conferences. Sections 3 and 4 record the organization of the Mennonite Church USA and its related area conferences. Section 7 includes those entities that continue to serve both national bodies.

Sections 13, North American Mennonite Bodies, and Section 14, Independent Area Mennonite Conferences, are new entries. These were added to reflect the broader Mennonite setting in which the binational church shares the Anabaptist-Mennonite ministries in North America.

The content and titles of the other sections remain the same; however, their sequence has been altered in order to make this volume more useful to readers.

This volume reflects the cooperative efforts of the Resources Commission of Mennonite Church Canada, Division of General Services, and Herald Press Congregational Publishing Division of Mennonite Church USA plus the hundreds who supplied information about their organizations. Mennonite.net, Goshen, Indiana, provided some of the technical expertise needed in preparing the information for printing.

The *2000 Mennonite Directory* is a basic tool for ministry. With this second volume we hope that readers will find the information more accessible. We welcome your comments. Please contact us at one of the *Mennonite Directory* offices.

Vision: Healing and Hope

God calls us
to be followers of Jesus Christ
and, by the power
of the Holy Spirit,
to grow as communities
of grace, joy, and peace,
so that God's healing and hope
flow through us to the world.

Priorities

To follow Jesus Christ more faithfully we are called to:

- enrich our prayer, worship, and study of the Scriptures.
- offer all that we are and have to God.

To grow as communities of grace, joy, and peace we want to:

- call and nurture congregational leaders for ministry in a changing environment.
- practice love, forgiveness, and hospitality that affirm our diversity and heal our brokenness.

To live as people of healing and hope we are committed to:

- invite others to faith in Jesus Christ.
- seek God's peace in our homes, work, neighborhoods, and the world.

Statement adopted 1995 by the denominational church assemblies.

SECTION 3

Mennonite Church USA

In delegate sessions held July 23-27, 1999, in St. Louis, Mo., the Conference of Mennonites in Canada, Mennonite Church General Assembly and General Conference Mennonite Church took steps to create the new, integrated Mennonite Church, a binational entity comprised of two national bodies—Mennonite Church USA and Mennonite Church Canada.

U.S. delegates established a Mennonite Church USA Executive Board and approved a plan to create Mennonite Church USA. Canadian as well as U.S. delegates gave authority to the U.S. board to oversee binational programs until 2001, when it is anticipated that further decisions will be made. Section 3 lists current programs. Current area conferences and congregations are found in Section 4.

VISION STATEMENT

God calls us to be followers of Jesus Christ and, by the power of the Holy Spirit, to grow as communities of grace, joy and peace, so that God's healing and hope flow through us to the world.

GENERAL INFORMATION

The General Conference Mennonite Church (GC) founded in 1860 and Mennonite Church (MC) founded in 1971 are working with the Conference of Mennonites in Canada to form a new, united Mennonite Church, organized as U.S. and Canadian bodies. The three bodies have adopted a common vision statement and the *Confession of Faith in a Mennonite Perspective.* Some staff persons are already jointly appointed. An Executive Board for Mennonite Church USA was elected in July 1999 to act on behalf of both the Mennonite Church and General Conference Mennonite Church legal entities. Further decisions concerning bringing together GC and MC programs will be made in summer 2001.

SECTION 4

Mennonite Church USA Area Conferences and Congregatons

Mennonite Church USA continues to take shape as the Mennonite Church and the General Conference Mennonite Church are transformed into a new denomination. A decision on guidelines for membership in the new denomination will likely be made in July 2001. Relationships of area conferences to the new denomination will be made later, as well.

Listed in this section are current member congregations of MC area conferences, including those in the U.S. and Puerto Rico. Also listed are current member congregations of the GCMC, including those of its U.S. area conferences and the South American Conference. Within each area conference churches are listed alphabetically by name.

AREA CONFERENCE ENTRIES

Each area conference entry includes (1) organizational detail (2) general information and (3) congregations. The purpose of this section is to provide all information necessary to contact a given area conference and or a congregation. To facilitate this, the area conference office and primary staff is listed first. These are followed by the leadership, related staff and organizations.

CONGREGATIONAL ENTRIES

Information about the congregation is included to provide basic data about that church and its pastoral leadership. Address and other information provided is that which the church has designated for use in any official contact with the congregation. This may be the pastor's office or residence, meetingplace, church office, or another location.

A description of each item included in the congregational entry is as follows:

Name	*(ID number)*	*(Year founded)*	*(Area conf code number)*	*(Affiliation/s)*

See listing of abbreviations of area conferences, recognized bodies, area church organizations and denominational bodies in the front of this volume.

Congregational Codes. Congregations with one asterisk (*) after the name designates a GCMC congregation that is a member of an area conference but not of the denomination. Congregations with two astericks (**) after the names designates a GCMC related church that is not part of the denomination or area conference.

STATISTICS

PROGRAMS AND SERVICES

MMA offers expertise and assistance to Mennonites and other Anabaptists in pursuing stewardship solutions through its diversified insurance and financial services as well as charitable programs and fraternal benefits. Programs and services are as follows:

Insurance: Health, life, long-term care and disability income coverage. Plans for individuals and groups.

Financial Services: Mutual funds, annuities, Mennonite Retirement Trust (staff pension plan for congregations and church institutions), and asset management. Provides mortgages and other financing for institutions and congregations. All investments are guided by socially responsible investing principles.

Mennonite Foundation: Planned charitable giving and estate planning consultation for individuals. Planned giving and investment advisory services for institutions. Offers seminars and other educational events. Serves the U.S. members of the General Conference Mennonite Church and Mennonite Church.

Fraternal Benefits: Matching grants, educational resources, stewardship ministries, and programs in mental illness and disabilities. Fraternal benefits are made possible because part of MMA is a fraternal benefit association, and money that would otherwise be paid in taxes is instead channeled to members and churches. Fraternal benefits do not increase members' premiums or fees.

Transformation Organizations

Although a General Board for Mennonite Church Canada and an Executive Board for Mennonite Church USA were elected in July 1999, area conferences, program boards and other groups from the Mennonite Church, General Conference Mennonite Church and Conference of Mennonites in Canada continue to work at transformation (formerly referred to as integration). Some decisions about structures at the U.S. and Canadian denominational levels will be made in summer 2001. Other decisions will be made at other times. Committees facilitating transformation at various levels are listed as follows.

GENERAL INFORMATION

Mennonite Central Committee (MCC) thrift shops are the result of constituent concern for human need both locally and globally. Thrift shop volunteers carry out the mission of MCC in the local community through their efforts, which include preparing, pre-owned donated merchandise for sale, serving customers and maintaining the shop. Proceeds from these shops support the work of MCC personnel who demonstrate God's love among people suffering from poverty, conflict, oppression and natural disaster.

GENERAL INFORMATION

Mennonite Central Committee helped pioneer the first Victim Offender Reconciliation (VORP) in Kitchener, Ont., in 1974. There are now about 250 programs in the U.S. and Canada with similar programs existing in England and Europe as well as other countries abroad. Programs with Mennonite connections are listed in this entry. These community or faith-based programs operate in cooperation with criminal courts to offer victims and offenders an opportunity to meet. These meetings, facilitated by trained community volunteers, allow participants to find out what happened regarding the crime, express their feelings, and work out a restitution agreement.

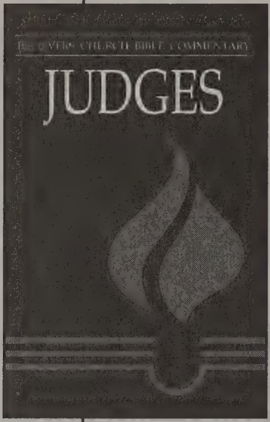
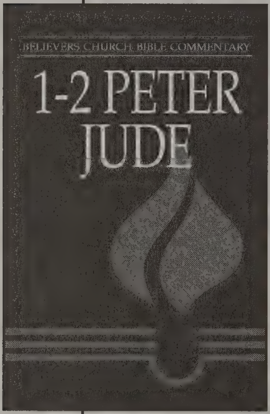
Resources for Bible Study





These commentaries, informed by recent scholarship, are not overburdened with detail. They are written for lay leaders, teachers, pastors, college and seminary students, and all those searching the Bible for truth and life.

The writers place each section of Scripture in the perspective of the whole Bible and bring it into conversation with the past and present experience of God's people in the world. The format is unique: Preview, Outline, Explanatory Notes, Text in Biblical Context, and Text in the Life of the Church—thus providing a fine balance of exegesis, theological reflection, and life appropriation.

Sponsored by six denominations, the Belivers Church Bible Commentary series represents the Anabaptist believers church tradition as a key perspective for interpretation.

HAROLD S. BENDER

The Mennonite Encyclopedia is the first reference work in English that covers comprehensively more than 450 years of history, faith, life, and culture of Anabaptism in Europe and world Mennonitism. Presented are people, movements, and places in their relationship to Mennonites. The encyclopedia was Harold S. Bender's greatest scholarly achievement. Five volumes.

Harold S. Bender, 1897-1962 by Albert N. Keim is a 500-page biography of a man who has become a legend among many Mennonites.

The Anabaptist Vision defines Harold S. Bender's view of what the Anabaptist movement stood for and what the Mennonite Church should aspire to.

Notes

The totals reported are based on reports received from congregations. No attempt was made to project 100% participation levels.

A. Columns A1 and A2 include congregations that selected more than one area conference as its primary and secondary affiliations. For example, Camrose is affiliated with DA (Dual Affiliated); NWC (Northwest Mennonite Conference) and CMA (Conference of Mennonites in Alberta). Its information is recorded in all three conference entries.

B. Columns B1-B9 include congregations that selected the area conference as its primary affiliation. For example, Whitestone Mennonite Church is affiliated with SC (South Central) and WDC (Western District Conference). Its information is recorded only with SC, Whitestone's primary affiliation.

C. Churches and memberships of Recognized Groups and Area Church Organizations are integrated with totals of Mennonite Church Canada and USA.

SECTION 18

Geographical Listing of Congregations

Section 18 lists Mennonite congregations alphabetically by country, state/province, and the city in which they are located. This section includes all congregations listed in Section 2 Mennonite Church Canada area conferences, Section 4 Mennonite Church USA area conferences, and Section 14 Related Mennonite Conference—Conservative Mennonite Conference (CM). The listing of these churches include the page numbers where readers may find full information about theses congregations. A number of congregations also relate to a Recognized Group and an Area Church Organization. See the affiliation codes.

Also included in this section are congregations affiliated with North American Mennonite bodies that are eligible to participate in the activities and programs of Mennonite World Conference, see Section 13. Those that relate to an independent area conference, see Section 15, are included as well (Of these the Nationwide Fellowship Churches is not included in this entry). See table of the affiliation abbreviations in the front section of this book.

Effort was made to secure complete and accurate information about each congregation. If there are errors or there is any missing data, please contact the area conference with which the church is affiliated and/or one of the *Mennonite Directory* offices.

An example of a complete Mennonite Church Canada, Mennonite Church USA, and Conservative Mennonite Conference congregational listing is as follows:

Affiliation codes. See listing of affiliation abbreviations of area conferences, recognized bodies, area church organizations and denominational bodies in the front of this volume.

Congregational codes. Congregations with one asterisk (*) after the name designates a GCMC congregation that is a member of an area conference but not of the denomination. Congregations with two asterisks (**) after the names designate a GCMC related church that is not part of the denomination or area conference.
